

January 6, 2012

Happy New Year to everyone from the BCRA Board of Directors. I'm sure that you have all included "play more racquetball" as one of your new year's resolutions!

On January 26-29 at Newlands, Kelly and Leon and the gang will host the annual Superbowl Classic. Contact Kelly at 604-319-2472 to register, or register yourself online at

We plan to have prize money for the open divisions, based on participant numbers.

Congratulations to our Juniors who once again had a great time at the annual BC-Washington Junior Challenge. This year, Team Washington squeaked out the win, but look out in 2012!

Congratulations also to Rick Gartel and Steve Majocha who dominated the Men's Elite division at the Seattle Open in November. They crushed all competitors, and then met each other in the finals; Gartel was the ultimate winner. Well done, gentlemen!

In December, the BCRA assisted several coaches to improve their levels of certification. Richard Gauthier, Michael Rusak, Connor Culhane, Steve Culhane, Aaron Gibson, and Debbie Schonberger were among the coaches who spent the weekend with Lori Jane Powell working towards their "Competition Introduction" NCCP certification. We plan to hold another "Comp Intro" training session later this spring - if you are interested, please let us know.

The next meeting of your Board of Directors is January 7th.

See you at Superbowl!
